

Our core value of “Helping People Afford Life” has never been more important than it is right now. Effective immediately, North Georgia Credit Union will begin offering our Skip-a-Payment promotion and will waive the normal fee. This option is available for all qualifying consumer loans and all other normal terms and conditions of the program will apply. Real estate loans are excluded.

If your loan payments are paid through direct deposit/payroll deduction, the amount of your payment will be deposited into your Share Savings Account or Checking Account. The amount of your payment will be available as direct deposit/payroll deductions are received (weekly, bi-weekly, or monthly) from your employer. The interest on your loan will continue to accrue throughout the month that you skip your payment.

A staff member from North Georgia Credit Union will contact you to let you know if your request to skip your loan payment(s) has been approved. [Click here for a Skip-a-Payment Application.](#)
