

**Hello, Savasaurus Club Member!**

We have some fun events coming up and a new summer reading program that we want to tell you all about! Summer reading programs will begin soon at our local libraries. We hope you will come to the kick-off for your local library and register for their program. North Georgia Credit Union will also offer our own Savasaurus Club Summer Reading Program for club members.

You'll need to first register for your local library's summer reading program and then sign up for our Savasaurus Club Summer Reading Program. North Georgia Credit Union Staff Members will be at the local library kick-off events for their summer reading program and to also sign up our club members for our Savasaurus Club Summer Reading Program.

All Savasaurus Club Members should receive a Savasaurus Club Punch Card Bookmark in the mail. You'll need to check out a book to read at your local library, or have a family member read it with you. When you return the book to the library, you'll need to present your Savasaurus Club Punch Card Bookmark and have a library representative mark it for you. Check out another book and repeat until your Savasaurus Club Punch Card Bookmark is filled. Then, take your Savasaurus Club Punch Card to one of our NGCU Branches and you will receive a prize! Also, the Savasaurus Club Member who reads the most books from each county (Stephens, Franklin & Hart) will receive a \$50 cash prize! The Savasaurus Club Summer Reading Program will end on Friday, July 14, and all Savasaurus Club Punch Cards must be turned into an NGCU Branch by this date.

Reading is a great adventure and we encourage you to explore the world through books this summer! Join us at your local library's summer reading program kick-off to register for their program and our Savasaurus Club Summer Reading Program. Our club mascot, Sunny the Savasaurus, will also be there to say hello, along with North Georgia Credit Union Staff Members. We look forward to seeing you at one of the following locations for the kick-off event:

**Locations, Dates & Times for Library Summer Reading Program Kick-offs:**
