

# MERRY Christmas

Join us at NGCU for an evening filled with holiday joy as we invite our Savasaurus Club Members to visit our branch locations for a chance to meet Santa Claus himself! Santa will be visiting each location below on the dates listed from 5:30-7:00 PM.

Our photographer will capture the joy on your child's face as they share a moment with Santa. Complimentary photo prints will be available for pick up following the event, ensuring you have a keepsake for holidays to come!
